## Concurrent Use License Authorization

1. From the ArcGIS program menu, open the ArcGIS Administrator.
2. Click on the Desktop Folder.
3. Click on the appropriate radio button for your product - Advanced (ArcInfo), Standard (ArcEditor) or Basic (ArcView) (Concurrent Use).
4. In the License Manager box, enter the address for the Central License Manager servers – 27000@gislm1.doit.net.md.gov;27000@gislm2.doit.net.md.gov
   Enter the server identification as shown above, separated by a semi-colon and no spaces between.
5. Click OK

If you wish to check out a license for up to 30 days of disconnected use:

1. From the ArcGIS program menu, open the ArcGIS Administrator.
2. Click on the Borrow/Return Folder within the Desktop Folder.
3. Check the appropriate boxes for the products you require.
4. Click OK
   Do the reverse to Return the license when you return to the office.
